

Green Building Wood Design Award

Wood contributes significantly to the overall environmental performance of any building by reducing energy use, reducing resource use, minimizing pollution and sequestering carbon. Nominations in the Green Building Award category should demonstrate how some, or all, of these principles have been applied in the building's design and construction.

Please complete the following form and submit it to Wood *WORKS!* by Friday, September 16, 2011

Nominated Project:

Name of project:

Project Location:

Date Completed (Month, Year):

Nomination Submitted By:

Your Name:

Company Name:

Address:

Phone:

Fax:

Email:

Nominee: Please check if same as above (self-nomination)

Name:

Company Name:

Address:

Phone:

Fax:

Email:

1. Identify all the members of the project team including all architects, engineers, contractors, clients and all primary and special consultants. Provide full name, company name and location and contact phone number for each (allocate one page for this question and create a form with multiple data entry fields for multiple contacts).

2. Please provide the following information: the project name, the building's size, use, location and date completed (month, year).

Project:

Building Size:

Location:

Date Completed:

Use:

3. List the wood products used, and if possible, indicate the total value of the wood products used in the project.

4. Explain why wood was used and how it contributes to reducing the environmental impact of the building.

5. What other factors contribute to the increased environmental performance of the building?

6. Was an environmental ratings system used? If so, please specify the system used and rating achieved.

7. Was a Life Cycle Assessment conducted for the project? Briefly summarize the results.

8. Please explain if any consideration was given to carbon sequestration and the carbon footprint of the building.

9. From the following list, please identify the elements of the project where use of wood was a factor: (check box)

- | | |
|---|---|
| <input type="checkbox"/> Local materials | <input type="checkbox"/> Use of renewable materials |
| <input type="checkbox"/> Acoustics | <input type="checkbox"/> Adaptive re-use |
| <input type="checkbox"/> Green roof | <input type="checkbox"/> Energy efficiency |
| <input type="checkbox"/> Sustainable site/landscaping | |

10. Please describe any other sustainable features of the project.

11. A minimum of 5 and a maximum of 10 photos are required per nomination.

Important Notes

- All nomination packages should clearly indicate complete contact information for both the nominator and nominee (primary contact name, phone number and mailing address are required).
- Once a nomination is submitted, it becomes the property of Wood *WORKS!* and will not be returned. Wood *WORKS!* reserves the right to use submitted materials for promotional purposes.
- Multiple submissions are allowed, and encouraged, but should not be grouped together. Each nomination must be complete in its own right, regardless of whether you are nominating one building for multiple awards, or multiple buildings for the same award.
- Please direct all inquiries to the Ontario Wood *WORKS!* office. We will be happy to respond to any questions about the Wood *WORKS!* Project in addition to your questions concerning the Wood *WORKS!* Awards program, the nomination process, and the Awards Gala.
- Accompanying photos should be submitted on a CD or DVD in a high quality digital format (.jpg preferred) minimum 300 dpi.

SUBMIT YOUR ENTRIES TO:

Wood *WORKS!* Awards
Canadore Commerce Court Site
60 Commerce Court
Box 5001, Office W113
North Bay, ON P1B 8K9

WE LOOK FORWARD
TO RECEIVING YOUR
NOMINATION(S) AT
OUR OFFICE.
